CHAIRPERSON MESSAGE

It is with immense pride and a deep sense of responsibility that I welcome you to Krishnavi Charitable Trust.

Established in 2023 and registered under the Indian Trust Act, 1882, our Trust was founded with a clear and compassionate purpose—to make quality healthcare accessible to those who need it the most. Guided by our belief, “Helping you stay healthy, no matter what,” we have been working consistently to support vulnerable communities, particularly the elderly, destitute, and individuals facing serious health challenges without adequate resources.

At Krishnavi Charitable Trust, we strive to ensure that no individual is deprived of essential or advanced medical care due to financial limitations. Our efforts include facilitating life-saving treatments, critical surgeries, and implant support, while also promoting preventive healthcare through medical camps, awareness programs, and continuous care for chronically ill individuals.

We strongly believe that true care goes beyond medical treatment. Our initiatives focus on long-term rehabilitation, assisted living, and emotional well-being—ensuring that every individual we serve is treated with dignity, compassion, and respect. Alongside healthcare, we are committed to social rehabilitation through skill development and livelihood support, empowering individuals to rebuild their lives with confidence and independence.

Understanding the importance of holistic support, we also work to provide nutritious meals, safe shelter, and a nurturing environment, especially for elderly individuals requiring constant care.

Our journey so far has been made possible by the dedication of our team, the compassion of our caregivers, and the continued support of our donors and well-wishers. Their trust motivates us to grow, innovate, and extend our reach to touch more lives.

I invite you to be a part of this mission—whether by supporting our initiatives, partnering with us, or simply spreading awareness. Together, we can build a healthier, more inclusive, and compassionate society.

With sincere gratitude,

Ms. Umang Sharma
Chairperson
Krishnavi Charitable Trust

ABOUT THE ORGANIZATION

Krishnavi Charitable Trust, established in 2023 under the Indian Trust Act, 1882, is a non-profit organization dedicated to improving lives through enhanced access to healthcare, education, and livelihood opportunities. The Trust focuses on working with underserved communities to promote preventive health practices, expand access to essential services, and create sustainable pathways toward self-reliance.

The organization is committed to advancing inclusive and sustainable development through targeted interventions across healthcare, education, and livelihood generation. Its initiatives are designed to strengthen community awareness, improve access to quality healthcare services, and encourage preventive health behaviors—particularly among vulnerable and marginalized populations.

Krishnavi Charitable Trust actively engages with economically and socially disadvantaged groups, including women, youth, farmers, artisans, and the elderly. A strong emphasis is placed on capacity building, skill development, and social entrepreneurship to enable long-term socio-economic empowerment and independence.

Through community-driven approaches and strategic partnerships, the Trust works to complement government initiatives in public health, skill development, and social welfare. By focusing on effective last-mile delivery and measurable outcomes, the organization strives to create meaningful and lasting impact within the communities it serves.

VISION

To build a healthy, empowered, and self-reliant society with equitable access to healthcare, education, and livelihood opportunities for all.

MISSION

- **To enhance access to affordable and preventive healthcare services**
- **To empower underserved communities through awareness, training, and capacity building**
- **To promote sustainable livelihood opportunities through skill development and entrepreneurship**
- **To support public welfare initiatives aligned with national development priorities**

SUCCESS STORIES

Aman's Journey: A Child's Fight to Walk Again

At just 12 years old, Aman's life changed after a severe leg fracture left him facing years of treatment and surgeries. Coming from a financially struggling family and having lost his father at a young age, his mother and sisters fought tirelessly to keep his hope alive.

When treatment became impossible to afford, Krishnavi Charitable Trust stepped forward and supported his critical surgeries at Safdarjung Hospital—ensuring that poverty did not decide his future.

Today, Aman continues his recovery journey with strength, surrounded by care and hope.

Because every child deserves the chance to walk, dream, and live with dignity.

Rising From the Flames: Priti's Journey of Strength & Hope

At just 29 years old, Priti's life changed forever after a tragic gas cylinder explosion left her with severe burn injuries and unimaginable pain. What followed was not only a medical battle but also an emotional and financial struggle for her family.

As treatment costs continued to rise and hope began to fade, Krishnavi Charitable Trust stepped forward and helped ensure she received continued treatment and care at Safdarjung Hospital. The Trust supported her recovery through medicines, dressing materials, and essential care so that financial hardship would not interrupt her healing journey.

Even today, Priti continues regular follow-ups and painful recovery procedures, showing extraordinary courage every single day. Her journey is still ongoing, but she is no longer fighting alone.

This is not just a story of surviving an accident—it is a story of resilience, compassion, and hope that continues to shine even in the darkest moments.

Because every life deserves care, dignity, and a chance to heal.

RESTORING DIGNITY BEYOND TREATMENT

An elderly woman suffering from a severe thigh fracture was admitted to Safdarjung Hospital with no family or support beside her. After successful surgery, she faced an uncertain future with no one to care for her during recovery.

At her most vulnerable moment, Krishnavi Charitable Trust stepped forward — arranging rehabilitation support and safely shifting her to an old-age home in Delhi, ensuring she received care, dignity, and a place to heal.

This story reflects our belief that healthcare goes beyond treatment — every life deserves compassion, dignity, and hope.
